

Show Routine (Subject to change as warranted by conditions)

From an air start:

1. Loop, Turnaround pull, push 1/2 roll on the down line pull
2. Full Cuban 8, turnaround either hammerhead or wingover
3. Barrell roll, turnaround wingover
4. Double loop, turnaround climb for split -s
5. Avalanche, turnaround wingover
6. Hammerhead with snap roll on down line, turnaround 3/4 roll 90 degree followed by 270 degree turn back to show line
7. 4 pt. roll, turnaround wingover
8. Double snap roll, turnaround wingover
9. Low inverted pass, turnaround push out 90 degree roll to level 270 degree back to showline
10. Photo pass , land.

If the Airboss wants a ground start I do a roll to takeoff followed by the remainder of the routine as listed above.

I occasionally throw a few snap rolls in on the turnarounds.
